

PREREQUISITES-IBM CLOUD SERVICES

TEAM ID: PTN2022TMID51073

TASK IS TO CREATE AN IBM ACCOUNT

DASHBOARD

The screenshot displays the IBM Cloud Dashboard. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Heml U's Account). Below the navigation bar, the main dashboard area is titled 'Dashboard' and includes a 'Select an option' dropdown. The dashboard is divided into several sections: 'For you' (featuring tiles for Build, Monitor your resources, Use Watson Studio, Get started with Watson Studio, Create an OpenShift cluster, Unblock the entire catalog, Explore IBM Analytics Engine, Review, select, and create a database, API Connect, and Create a Multitenant cluster), 'News' (with articles about IBM's Gartner Magic Quadrant, IBM Cloud Pay as You Go, and IBM Db2 11.5.9 Release), 'Recent support cases', 'Planned maintenance', 'IBM Cloud status' (showing a world map), 'Usage' (with a bar chart), and 'User access' (with a form to enter email addresses for user setup). The interface is clean and professional, with a dark theme and clear navigation.
